

# Davide Pafumi

**PhD Candidate · Digital Humanities · Computational Linguistics**

davide.pafumi@uleth.ca · Lethbridge, Alberta, Canada

I sit at the crossroads of language, technology, and advocacy. As a researcher, I use computational methods to study discourse in all its forms. Currently based in Canada.

## EDUCATION

2022 – present

### **PhD, Cultural, Social, and Political Thought**

**University of Lethbridge, Department of English**

Interdisciplinary programme. English literature, computational linguistics, natural language processing, and vector space modelling applied to discourse analysis.

2020 – 2022

### **MA, European and American Languages and Literatures**

**University of Padua, Department of Linguistic and Literary Studies**

Graduated Summa Cum Laude. Discourse analysis and corpus linguistics.

2017 – 2020

**BA, Languages, Foreign Literatures, and  
Techniques of Translating and  
Interpreting**  
**University of Messina, Department of Ancient  
and Modern Civilisations**  
Graduated Summa Cum Laude and Honours.  
Qualitative text analysis.

## EXPERIENCE
